## Skills

### Programming Languages
PHP, HTML, CSS, Java script, SQL, C++, C#

### Technical
UI/UX, Navicat, Postman, CodeIgniter, Bootstrap, Figma, Google Docs, Microsoft Word, Microsoft Excel, Microsoft PowerPoint, Filmora, Git

### Soft Skills
Attention to detail, Communication, Leadership, Creativity and Innovation, Strong teamwork and collaboration skills, Adaptability and eagerness to learn

## Certifications

### Hour of Code – AI Ready ASEAN Programme
ASEAN Foundation (with support from Google.org & DICT Aurora)
August 30, 2025

### Certificate of Completion as Software Associate
Tarellia Solutions OPC
May 19, 2025

### IRCITE 2025 Presentation
Philippine Society of Information Technology Educators – Central Luzon (PSITE-CL)
April 04, 2025

## Achievements

### Academic Excellence with Honor
2020-2021

### Dean Lister
2021-2022, 2024

### President Lister
2024-2025

### Philippine Society of Information Technology Educators (PSITE) – Central Luzon
April 04, 2025

- Presented **"MOBILITYCOM,"** an **IoT-based wearable glove for patient communication through finger movements**, at *(IRCITE 2025)*.

## Summary

**Full-Stack Developer** with hands-on experience in **web development, QA testing, and database management.** Skilled in **PHP, CodeIgniter, React, and HTML/CSS** for building responsive, user-friendly applications that are both functional and easy to use.

## Experience

**Freelance Full-Stack Web Developer**                   **June 2025 - Present**
Smart Classroom Management System

- Built a responsive web app using **React, CodeIgniter, and MySQL** with features such as stream, real-time notifications, authentication, user management, file handling, and QR grading. **Conducted API testing, system testing, and QA** to ensure reliable integration and error-free deployment.

**Tarellia Solutions OPC**                   **Feb 2025 - May 2025**
Software Associate / Quality                   San Agustin, San Fernando, Pampanga
Assurance / Documentation
Analyst

- Worked as a **full-stack development** of a Salesforce-based web app, **performing UAT for Quality Assurance**, and documentation of ERDs and data definitions. Collaborated with the team to enhance features, improve performance, and ensure project goals were achieved.

## Education

**Pampanga State**                   **2021 -2025**
**University (Don Honorio**   Bachelor of Science in Information Technology
**Ventura State University)**
Bacolor, Pampanga

## Projects

**SCMS – Responsive Smart Classroom Management**  **June 2025 - Present**
**System**

- **Full-stack Developer** on a responsive Smart Classroom Management system **using MVC architecture** with features like authentication, real-time notifications, user management, file handling, QR grading, and API integration.
- **Tech Used:** React, JavaScript, HTML/CSS, and SASS (frontend) , CodeIgniter, MySQL (backend), Navicat, Postman

**Sales Force App**                   **Feb 2025 - May 2025**

- Contributed to the Sales Force App by building key modules including user profile management, full CRUD operations, role-based access, and file handling.
- **Tech Used:** HTML, CSS, JavaScript, MySQL, Bootstrap, RESTful API, JWT, Navicat, Postman

**MobilityCom: "An IoT Based Glove For Patients To**                   **2023-2024**
**Communicate Their Needs Through Finger Movements"**
Project Lead

- Led development of an IoT based glove that interprets patient finger movements to send messages to nurses or guardians, enhancing communication and care
